

POLICY STATEMENT FOR OCCUPATIONAL HEALTH, SAFETY AND THE ENVIRONMENT

It is the policy and intention of International Testing Services Ltd to provide & maintain a safe and healthy working environment, maintain equipment and provide safe systems of work for all employees and interested parties.

The Directors believe that the welfare, safety, health, and working environment of its employees, and any other interested party who may be affected by the activities we perform to be top priority. The Directors of International Testing Services also recognise our responsibilities with respect to our statutory obligations and will meet the regulatory requirements for International Testing Services through continuous improvement and establishing safety objectives for company. A report will be published regularly and will be made available to any interested party.

Our commitments to the Health, Safety and Environmental Policy is an expectation of ALL Employees who works for or on the behalf of International Testing Services. We shall:

- i. Manage all risks by ensuring all employees are responsible and accountable for the activities they partake in and to meet any obligation bestowed upon them.
- ii. Communicate, engage and encourage participation within the safety management process and all safety matters.
- iii. Comply and where possible exceed any law, regulation or standard.
- iv. Identify and prevent/mitigate any relevant risk to a reasonable level.
- v. Monitor and regularly review the impact of our activities in terms of HSE.
- vi. Strive to continually improve our HSE performance and monitoring how we do against our set objectives.
